The Nazca Lines Map created by UNESCO World Heritage Center 1994 – 3 main points 5/28/2018 Ryushin

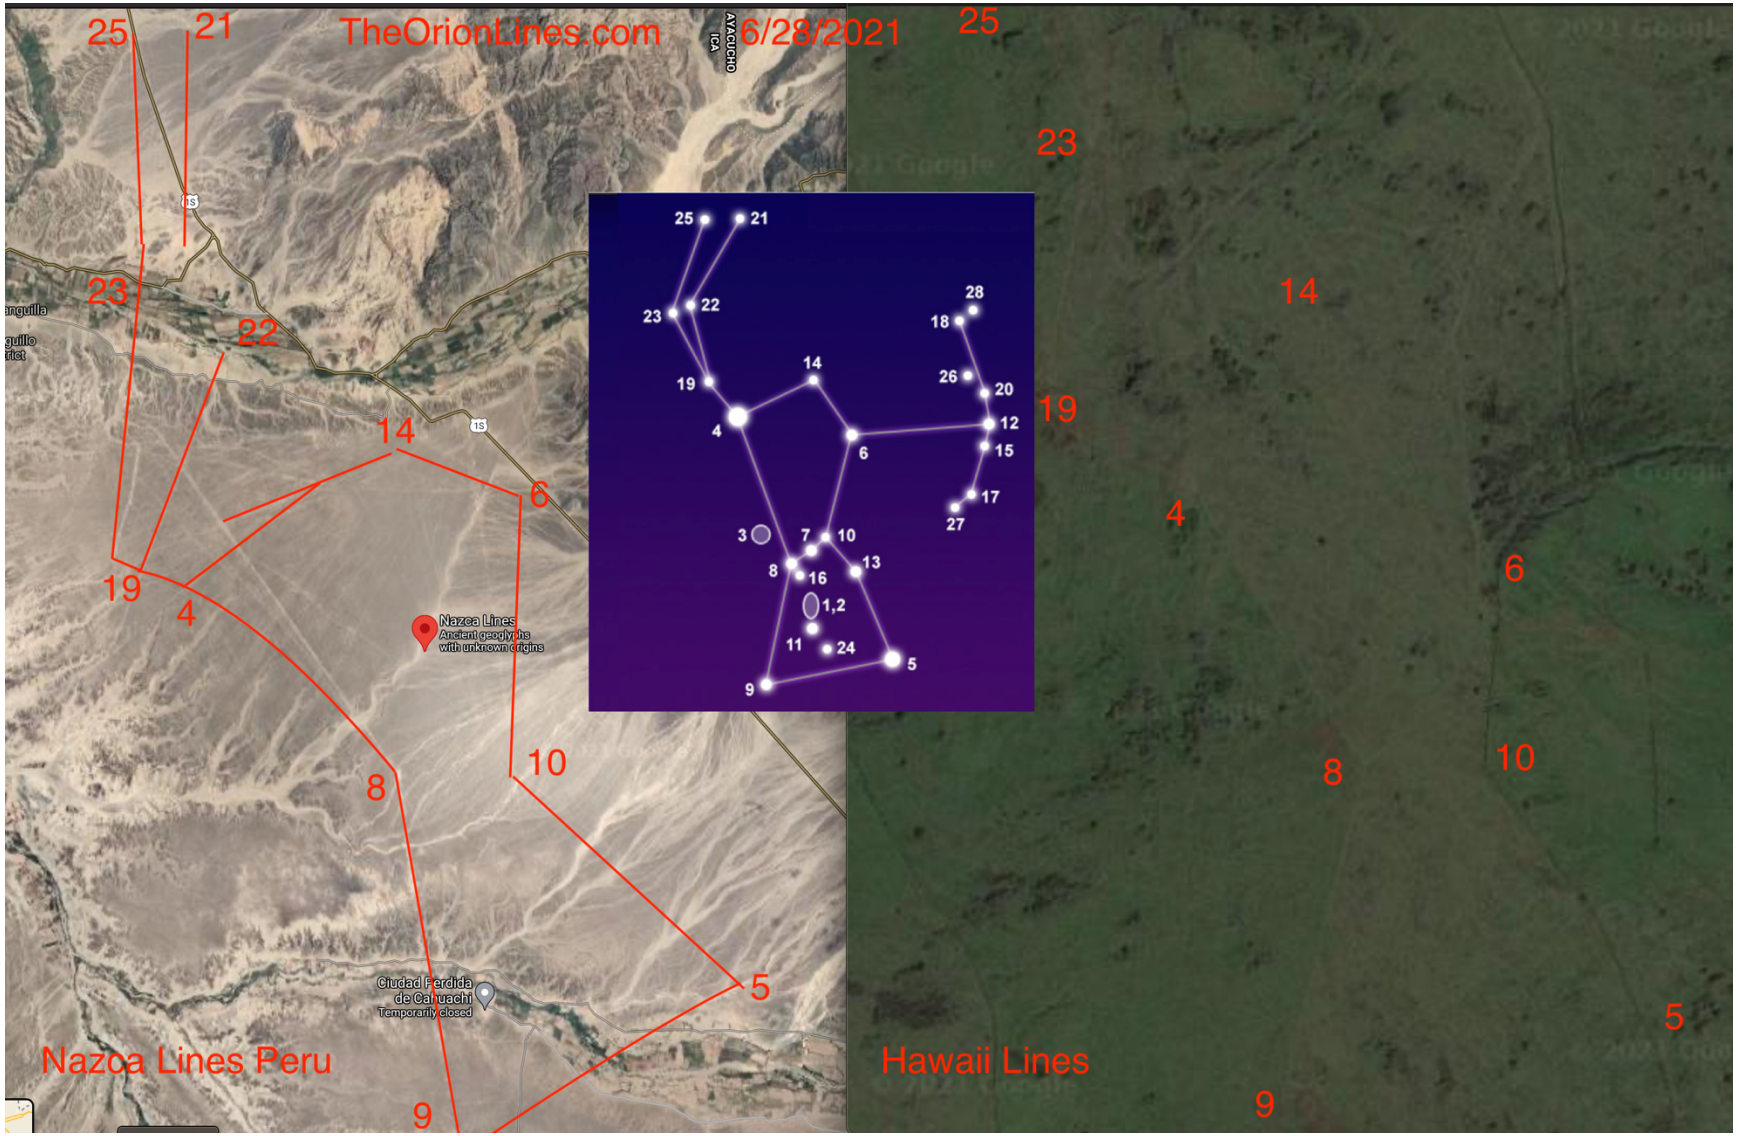

The Nazca Lines are hundreds of intelligently drawn lines in the middle of the Nazca Peru desert. They are allegedly over 2,000 years old, if not older. They stretch across the desert for 132 miles. They are accompanied by geoglyphs or pictograms within the lines. It is said that aborigines drew them. This map was created in 1994 by The World Heritage Site by UNESCO.

In March of 2018, I printed out the map and put them on my desk. The next day, I picked them up and circled the three main points and instantly knew it was the star constellation Orion. Although I was wrong about the first configuration, I was correct with-it being Orion. That day, I renamed them "The Orion Lines" because that's what they truly were. It would take me 5 models, a year and a week in order to get the correct configuration.

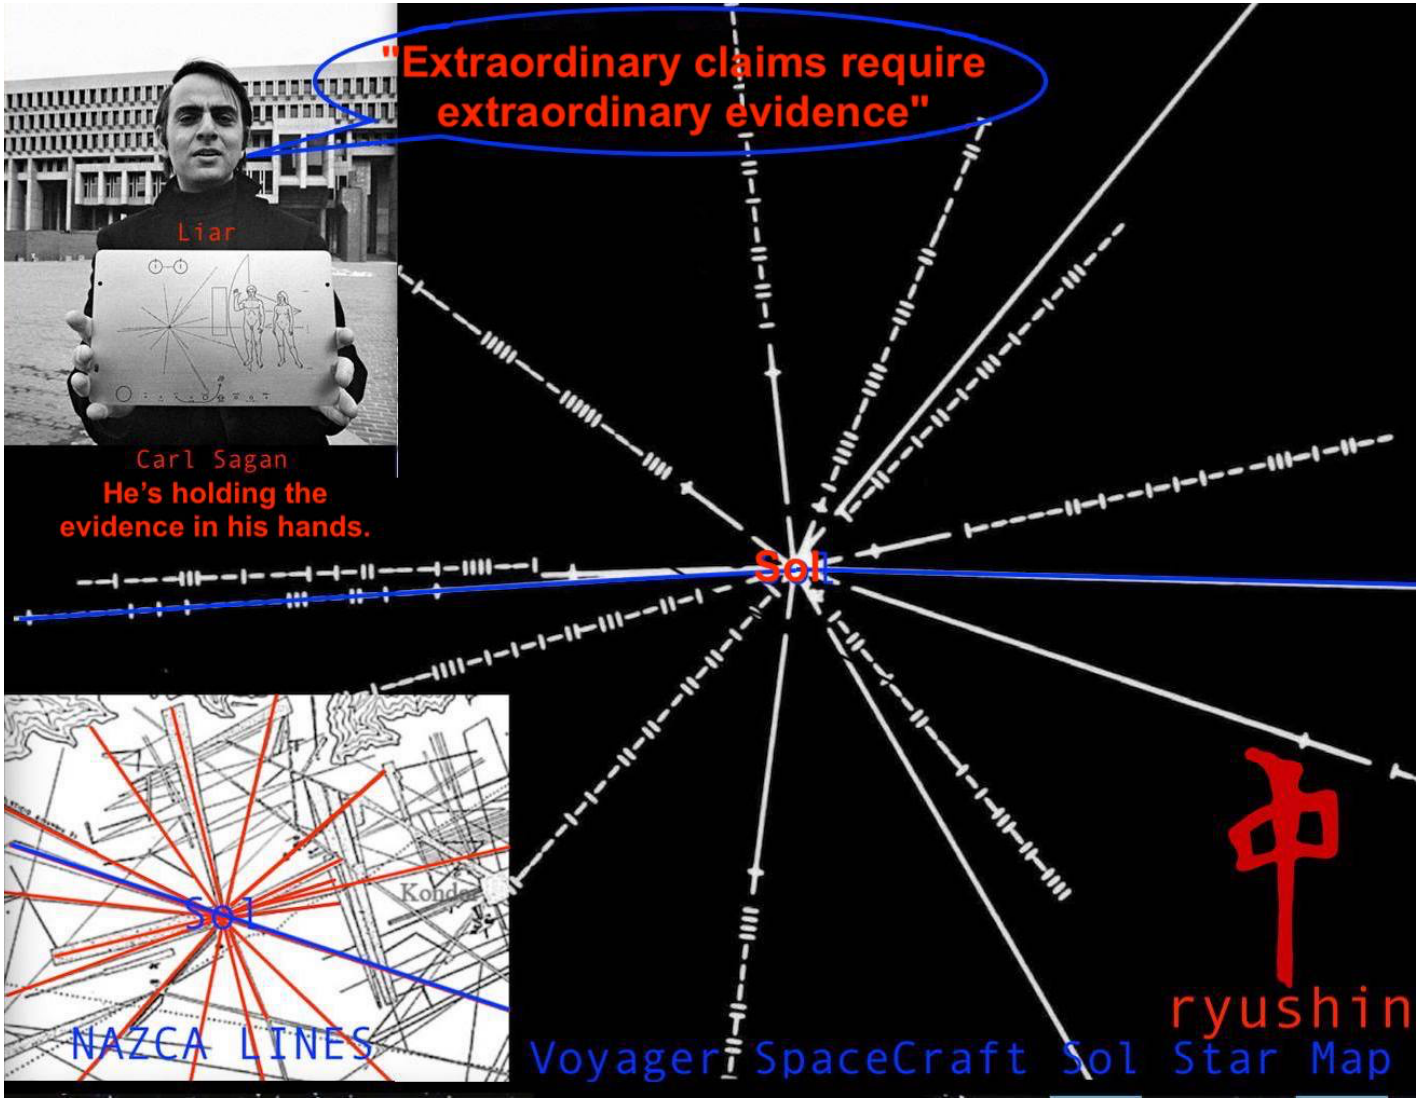

The Orion Lines Theory 6/7/2019 Ryushin Malone

The Orion Lines are a three-dimensional pulsar star map representing The Orion Group's territory markings. They are to ward off other extraterrestrials as to who's planet this is or was, Orion's. We just happen to be right in the middle of their territory. The Orion Group is allegedly a satanic force who takes over star system throughout The Galaxy, if not The Universe. You have to be looking from the prospective of being behind the star constellation Orion, looking through Orion to our sun, Sol and then the three-star constellation behind Sol, Scorpio, Libra and Virgo. What I did was take a picture of the star constellation Orion and flipped it horizontal, then placed the Nazca Lines on top of The Orion star constellation. I completed this map on June 7th, 2019.

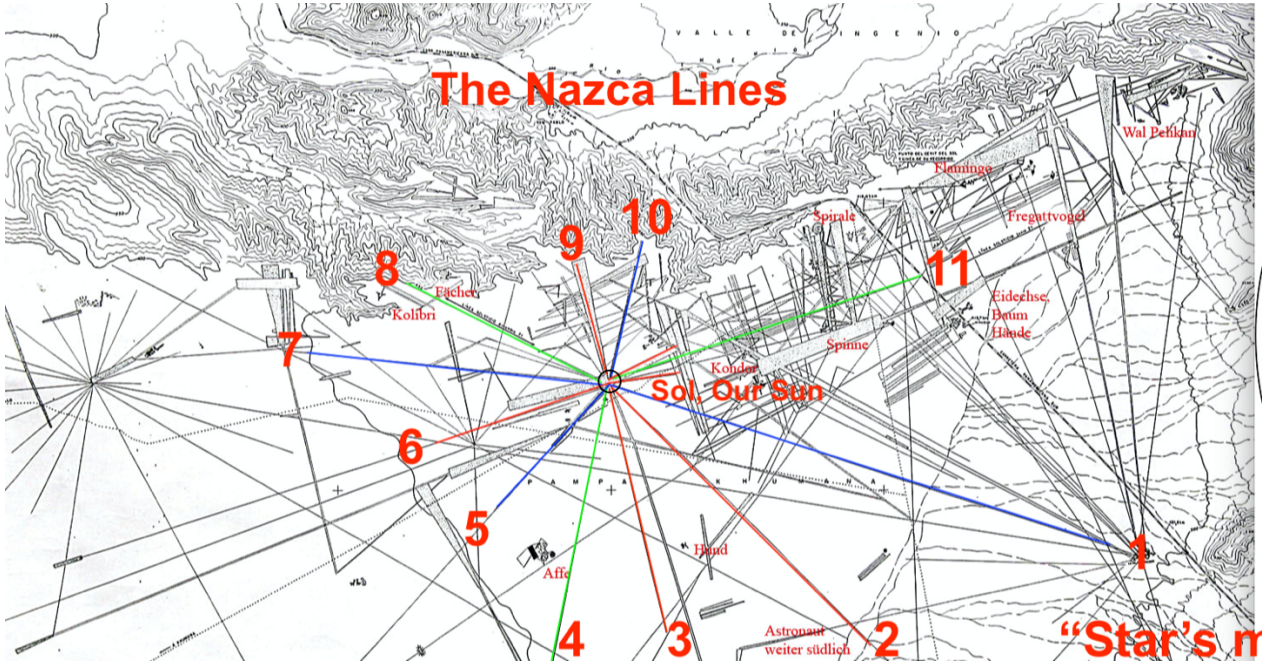

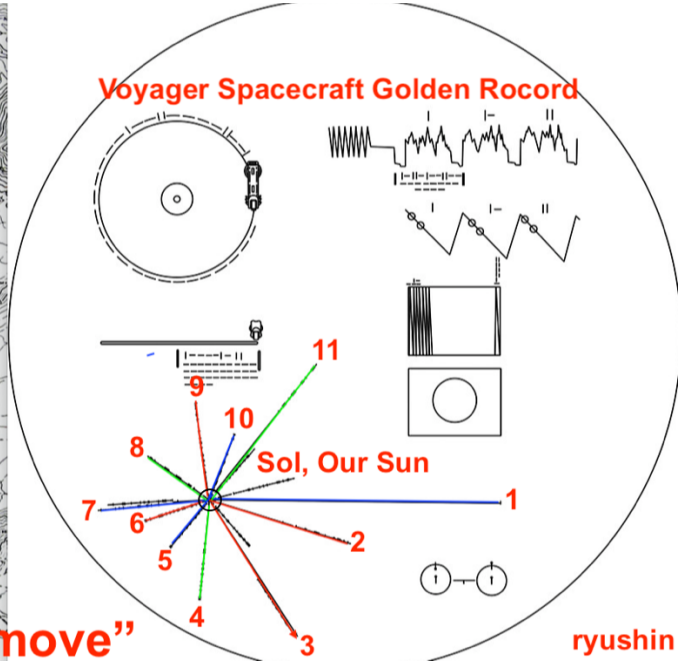

The Nazca Lines seen from a greater distance comapired to the Hawaii Lines in Alakaha, Hawaii are in the shape of Orion.

Extraordinary claims require extraordinary evidence and what this told me was that they knew it was Orion this whole time. This is where they got our sun's pulsar map from and why they put it on the haul of the Voyager spacecraft. It also means that the middle of The Orion Lines is definitely our sun Sol and is correct.

The Orion Correlation Theory by Robert Baural - Correct orientation of The Milkyway Galaxy 4/20/2019 Ryushin

If The Orion Lines are how the aliens view up and down, then there is a correct orientation to The Milkyway Galaxy.

The symbol for Earth actually comes from The Orion Group's territory markings.

Connection Ryushin

Alpha Draconis/Orion Group

The direction of life force [collected through the NRG Grids] is hierarchical and managed by the **Alpha Draconis** system in the Orion Constellation, however multiple conflicts exist within the system and the fight for its resources exist among many species, the reptilian and draconian levels of contingents. There is a vast system of bottom feeders and defectors.

The Orion Group is a Satanic force that has a predatorial ideology that uses females as slaves or breeders, while seeking territorial dominion on other planets within their warring and killing culture. Their position in the NAA and its consortium of Negative Aliens is called the Black Sun Program. They are a predator force with a predator mind which is mainly responsible for creating much of the Negative Ego in humanity through Mind Control programming and they have introduced financial and Debt Enslavement to planet earth through the banking cartels.

Additionally the Nordics are blond looking humans from Orion and are also predatorial, this species is responsible for spreading racism, genetic discrimination, genetic experimentation, such in the Nazi ideology and they are proponents of promoting their belief system of "genetic superiority" through spiritually abusive methods of Eugenics. This Nordic group was directly involved with Hitler's Germany and World War II.

Dracos species are potentially capable of shape-shifting and have extremely developed Psionic abilities, which allow them to possess or enter bodies through consciousness projection. Therefore, as they originate form a Phantom Matrix system of Satanic based AI infected entities, many of these Draco entities are confused by people as the devil or believing they are Satan, as an individual figure.

Reptilian Hierarchy

Extraterrestrials that are hybridized with Reptilian based genetics operate in strict hierarchical systems of rank, and defer to their superior groups. The Dracos or Draconians from Alpha Draconis are in command of earth based subterranean reptilians who respect their superiors in the belief system that the Dracs are those who hold "ownership" over earth and human beings. Draco Reptilians view themselves as the most intelligent species in the Universe and that earth humans are the result of their biological seeding processes from multiple planets. The Alpha Draconis Draco have a "Royal Class" that appear to be lighter colors, white Skinned scales with winged appendages, and are about two to three times the size of an average human, and very muscular. They are quite menacing and tyrannical, showing little mercy to an entity of their own race that they think has defied their orders or responsibilities to manage their "earthly resources". Earth based reptilians appear to be in command over EBE or biological entities known as small Grays. The Reptilians have developed high psionic abilities, which they use for mind controlling other entities, and do not have an emotional body or soul body.

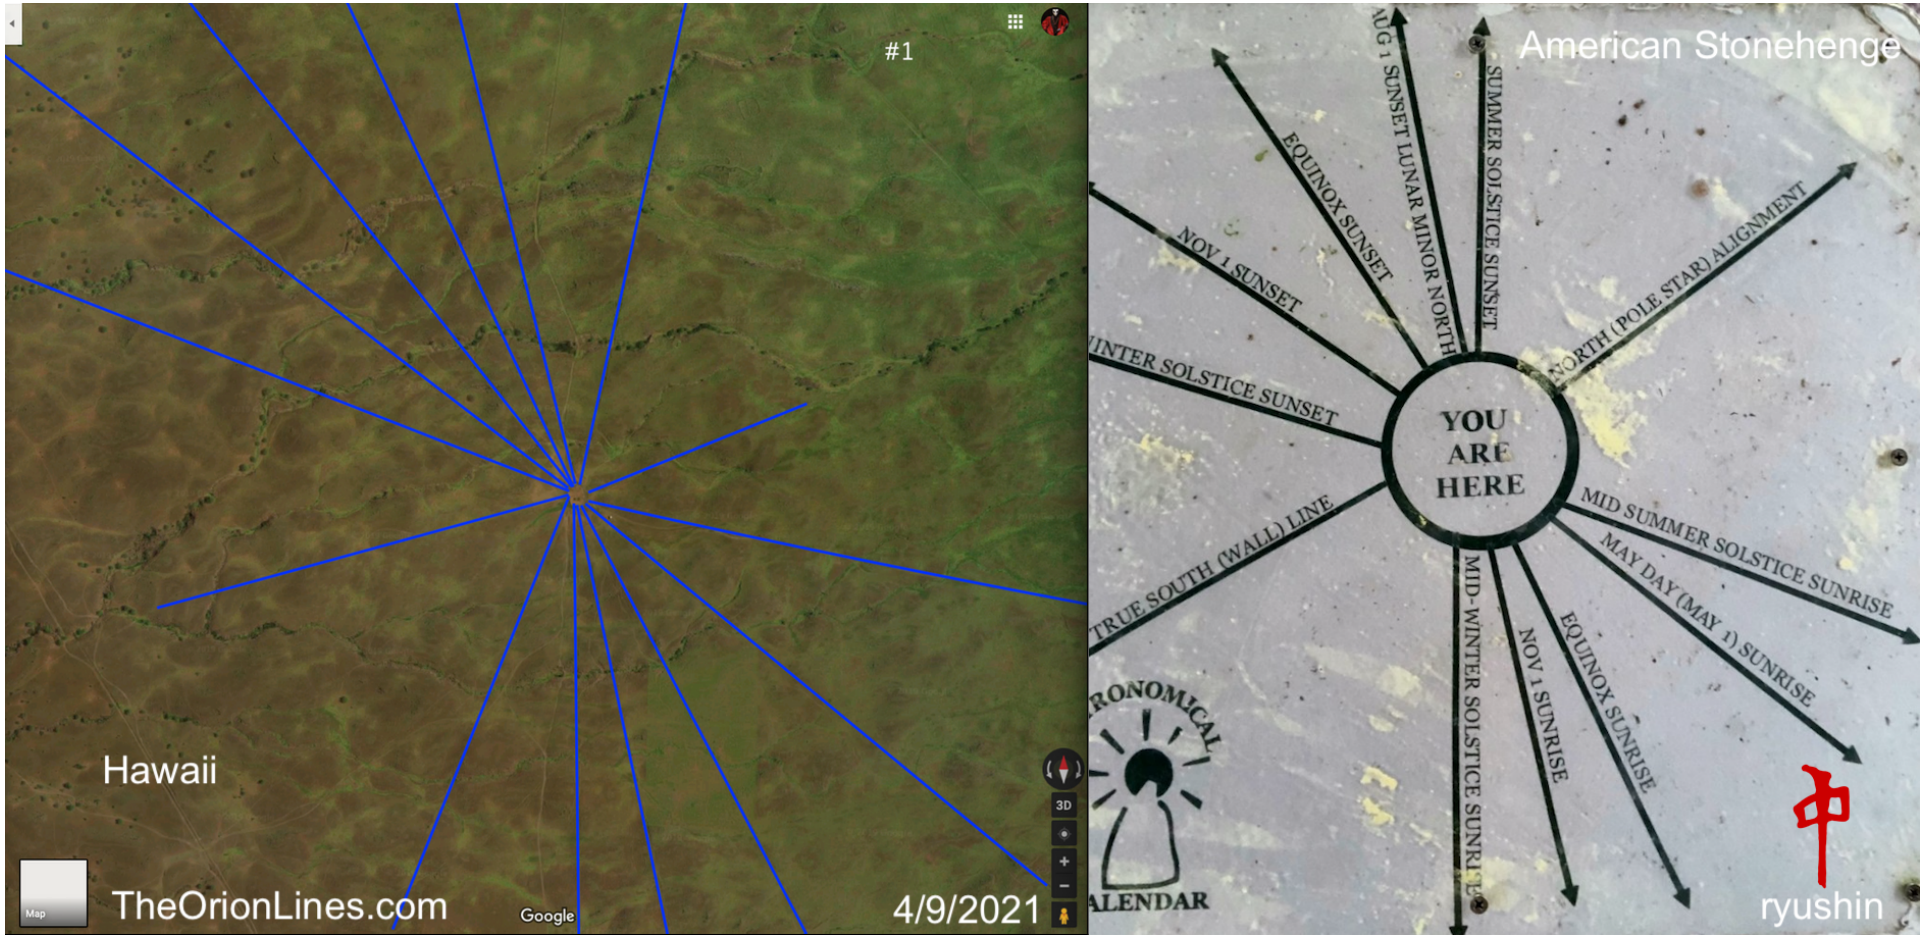

The known reptilian races on earth appear to have made a variety of cooperative agreements with the higher ranks of human government and military, which have resulted in shadow government black projects, such as Secret Space Programs, MILABS and the creation of military industrial complex to experiment and exploit alien based technologies and craft that they have been given access through their cooperation. Dracs are a extremely militant, misogynistic and warring species that are very involved in controlling the Power Elite, financial, pharmaceutical and banking institutions, promoting war and killing through increasing militarization, poverty consciousness, human enslavement programming, religious violence, terrorism, and the harvesting of humanities DNA though abduction and experimentation, as well as other species they have under their control.

I have solved The Star Compass in Kawaihae, Hawaii and renamed it the Rigel Star Compass. They are territory marking of the star Rigel in the Orion constellation.

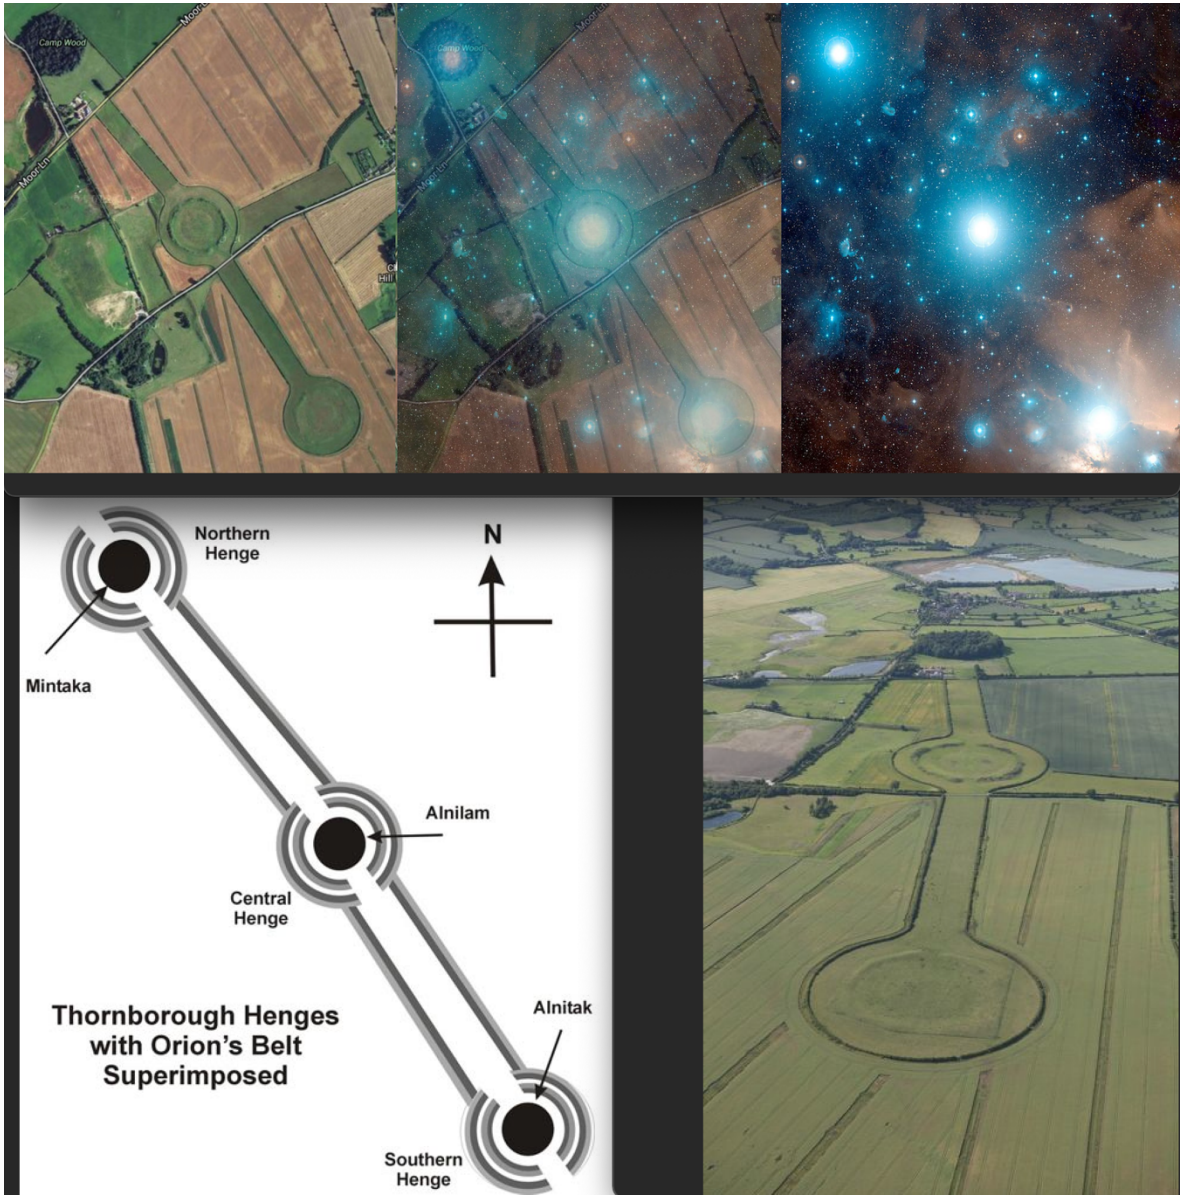

American Stonehenge is identical to Hawaii lines near The Star Compass on the island of Hawaii They are pulsar maps. realized by Ryushin

As above, So Below by Paul D. Burley – Adrenochrome Harvest Clock 8/21/2018 realized by Ryushin

I have solved Stonehenge. Stonehenge was actually an Adrenochrome Harvest clock used to do human sacrifice in reverence to Orion. This is why there is something called ”the slaughter stone” at the site. What I believe what would happen is, when the sun fell between the heel stone, Orion would show up to collect their offering that night. The people worshiping them were bringing foreigners there to be sacrificed.

This is why Stonehenge was partially destroyed because The People found out what they were doing, worshiping “Gods” by offering them Human Beings to eat. This is also why Stonehenge was rebuilt in 1901 out of respect for Orion.

This is why the Egyptian pyramids align to Orion's belt because the people from Orion built them to harvest The Nile River. Considering that The Orion Group is in fact a reality, this means The Alpha Draconian are also real.

Hydronium Reactor Theory Ryushin 3/10/20 - Connection Ryushin - Realization Ryushin

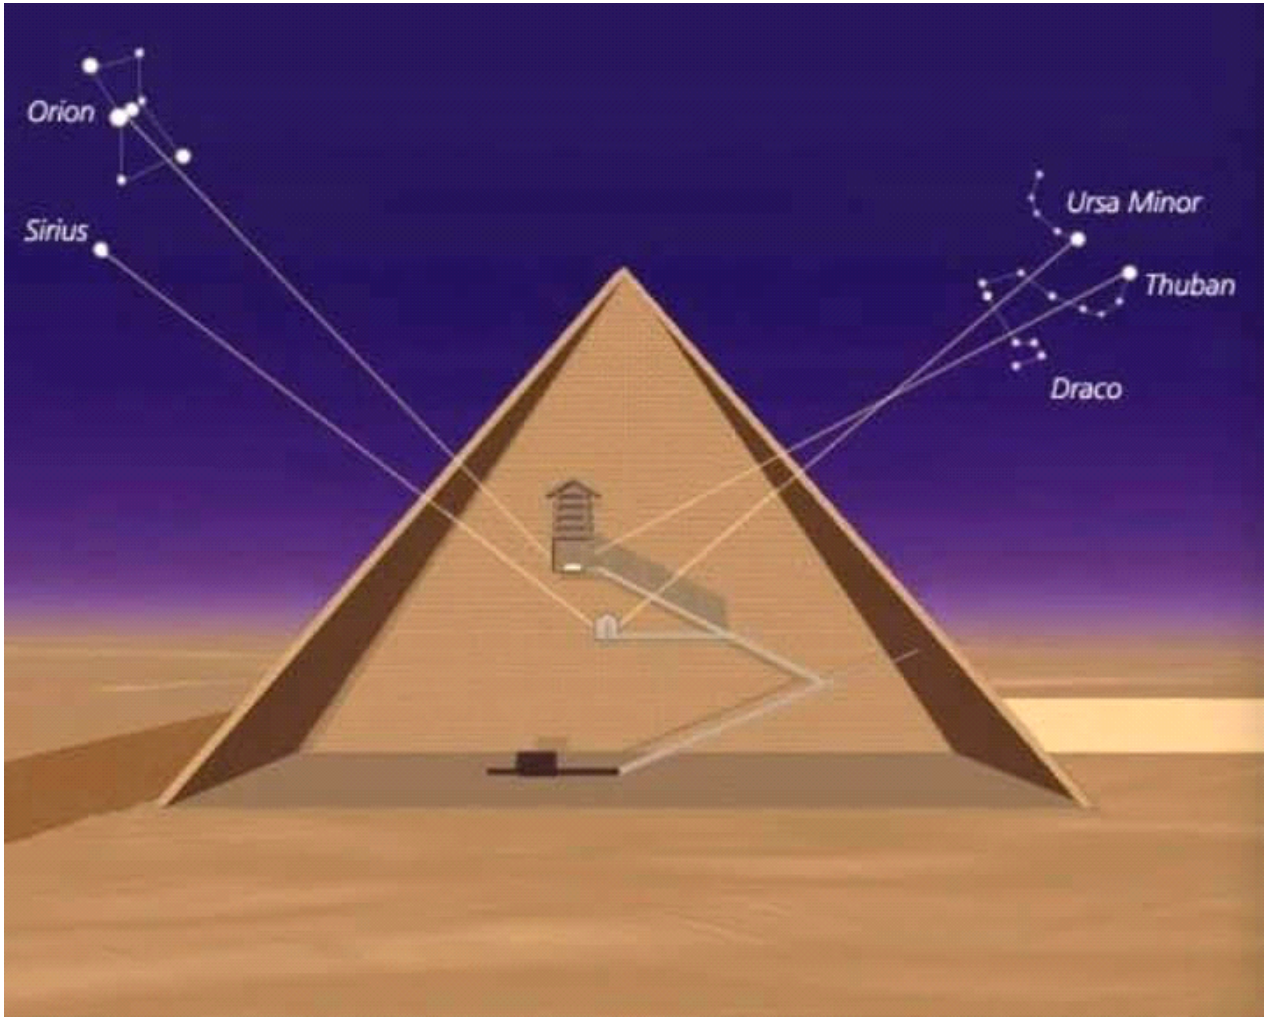

The Great Pyramids of Giza. On December 19th, 2018, a gigantic pyramid shaped craft appeared over The Pentagon in Washington D.C. We have three different prospective of the craft on video. It was the very same craft that appeared over the Kremlin in 2009. As soon as I knew they actually had this type of vehicle, I instantly thought of the movie Stargate. When I looked up the blueprints to the great pyramid, I immediately knew it was a water well and that they were water harvesting the Neil river. They were processing H2O and ionizing it creating H3O also known as hydronium to fuel their craft.

It is also reasonable to assume that this is The All-Seeing-Eye. Either they are Orion or Draco, we have a need to know.

Water Ionization, H3O also known as hydronium.

I have discovered that The Nazi Death Marches, the pathway leading to the death camps are in the shape of Orion. Why? Because they were trading with Orion, Human Beings as a food and drug source, Adrenochrome for technology since the 1930s. This is how the Nazis got their hands on the UFO technology. It's in the shape of Orion as an homage to Orion. I believe this was payback for Moses taking the Jewish people from Egypt 5,000 years prior under Orion's rule.

I have also discovered that The US Government used tax-payers money to build the identical railway system in the heart of America in secret underground. Why? Because, The USA did not win World War 2. They lost in Antarctica when Admiral Byrd took the entire Pacific fleet there to flush out the remaining Nazi forces called Operation High Jump in 1947. When they got down there, they were attacked by Nazi UFOs and ET UFOs and lost.

In the Summer of 2017, Gaia TV released The Nazca Alien Mummies to the world. At first, I was in disbelief considering all of the fakes out there but as soon as I saw the x-rays, I knew they were real. They found two different species, three 2-foot-tall small creatures and one 5-foot-tall creature.

Yes, they all have been DNA tested and the results are that they are 32% Human DNA. A fruit fly is 98% Human DNA. This means they are not from here. the-alien-project.com

A week after their release, on July 25th, 2017, I was watching a documentary on Egypt called The Empowered Human when I saw a picture of King Akhenaten and Queen Nefertiti sitting with the same species of alien beings. It was just more evidence that they are in fact real, and I believe they are "Aten." The one true God, the sun God. Are they God? I am not sure, but the evidence is leaning in this direction. Why are they called the sun God? I believe because their vehicles look like little sun, balls of energy.

I also discovered a tablet depicting the same image of King Akhenaten and Queen Nefertiti in the Mayan culture. Were King Akhenaten and Queen Nefertiti in South America with these alien beings? It's quite possible.

There have obviously been many extraterrestrial wars here on Earth, over Earth and the entire Human race.

Connection Ryushin

These tiny super intelligent alien beings are a part of almost every past culture throughout all known history. The truth is, we've been lied to about alien beings but why? We are simply a slave race. Slavery never ended. We are their slaves and we are also their food and drug source, Adrenochrome living obliviously on their planet.

I believe it is possible that these tiny super intelligent alien beings hail from Sirius B. I say this because the Dogon tribe from Africa knew that they come from Sirius B and they wear the little beings on their headpieces.

From Phil Schneider's encounter with aliens while building a military underground base in Dulce, NM, he said that one of the aliens rubbed it chest and a blue beam came out and stuck him. He said the force was electrical. From the implants that these aliens have, it is reasonable to assume, that they are energy weapons. It's also direct evidence that Phil was telling The People the truth.

Images the-alien-project.com – Realization Ryushin

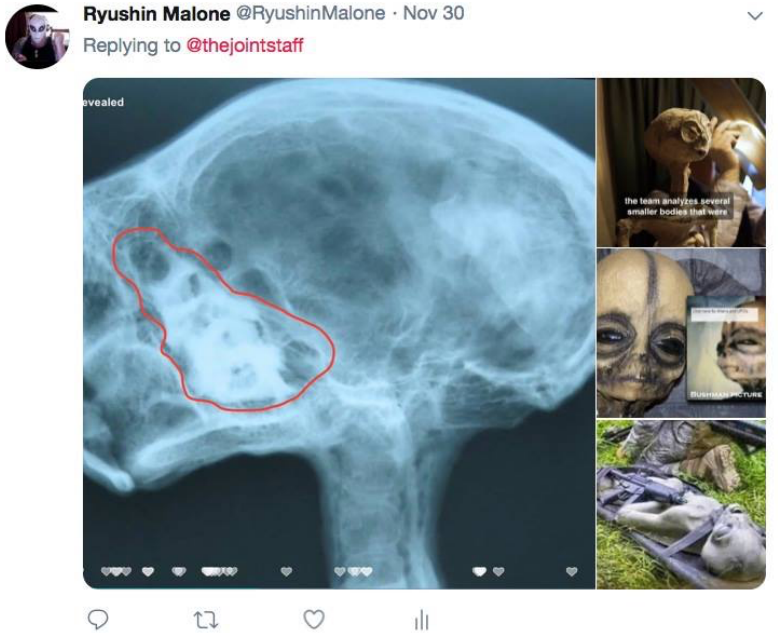

The reason why their hands were removed from their bodies was to render their weapons inoperable. Maybe a possible Human rebellion? Maybe an extraterrestrial war? I believe that The Nazca Alien Mummies were stranded and sought shelter then died in the cave they were found in.

In November of 2018, after a year of every major news reporter, scientist, ufologist and ancient astronaut theorist ignoring my claims, I decided to start attacking them with the thousands of images and videos of alien beings I had collected. I sent out 200,000 tweets in 8 months. Two weeks after the initial attack, NASA responded with news articles, December 4th, 2018, "Tiny Super Intelligent Alien Beings may have visited Earth and Humans simply didn't notice them." Unfortunately, they did not include a picture or a reference as to WHICH tiny super intelligent alien beings they were referring to. I, however, did because I was attacking them with the images of The Nazca Alien Mummies weeks before this claim was made.

After Nikola Tesla's death in the 1940s, The FBI confiscated his research under the guilds of "national security" from his Manhattan apartment. It was said that in 1899, when Tesla first turned on his invention, the radio, he could hear people talking. It was said that he made contact with them. And at the end of his life, he claimed that he was in communication with extraterrestrials. Why was Tesla drawing UFOs? Round shaped craft? I believe that they showed Tesla, not only the layout of their vehicles, but their functionality as well. These images were finally released in December of 2018 and can be viewed on the FBI archive website. Why hasn't this been in the news? Because the news is owned by Lord Jacob Rothchild.

Margaret Storm has been assigned to certain work with the Space People, as follows: She is writing a book - Return of the Dove - a story of the life of Nikola Tesla, scientist, and the part his inventions will play in the New Age. Much of the data for this book has been supplied to Mrs. Storm through transcripts received on the Tesla set, a radio-type machine invented by Tesla in 1938 for Interplanetary Communication. Tesla died in 1943 and his engineers did not build the Tesla set until after his death. It was placed in operation in 1950 and since that time the Tesla engineers have been in close touch with space ships. The Space People have visited the Tesla engineers many times, and have told us that Tesla was a Venusian, brought to this planet as a baby, in 1856, and left with Mr. and Mrs. Tesla in a remote mountain province in what is now Yogoslavia.

On June 28th, 2018, I realized that the World War 2 holocaust was actually an Adrenochrome harvest, trading Human Beings as food and drug, Adrenochrome for technology with Orion. I believe it was for revenge on the Jews for leaving Egypt 5,000 years before. Adrenochrome is a drug created when adrenalin meets oxygen. The aliens and the Elite drink it and it gets them higher than any other drug in the galaxy. It's possible that the drug can prolong aging as well.

It made sense considering, why just kill them, when you can kill them in trade for great technology? We have about an hours worth of video evidence as well as documents of the Nazis having UFOs. TheOrionLines.com

True history revealed. These Elite have been worshiping and working for Orion this whole time. This is how they set up the deal with Orion. World War 1 and 2 were nothing more than using Germany as a doorstop funded by The Elite to stop the spread of communist Russia into Europe. This is how Germany stood up 20 years after the First World War because the Elite funded them and played both sides as well as trading with Orion. It's absolutely disgusting and absolutely true.

In 1954, Eisenhower made a deal called The Grenada Treaty signing a secret and illegal treaty with the alien beings from Orion trading Human Beings and cattle for ”medical experiments” for technology. This is why the secret underground railroads in the heart of America are in the shape of Orion. This is the death of the Elite and the reason why we don’t trade our own people, Human Beings for a stick of gum. They made the same deal the Nazis made with Orion in World War 2.

This was never about America winning anything or VS The Nazis, or China, or Russia. It has always been about The Elite VS The People and pitting the people against the people. We just woke up at the end of the fight.

There is a reason why Space Force does not have Orion in it.

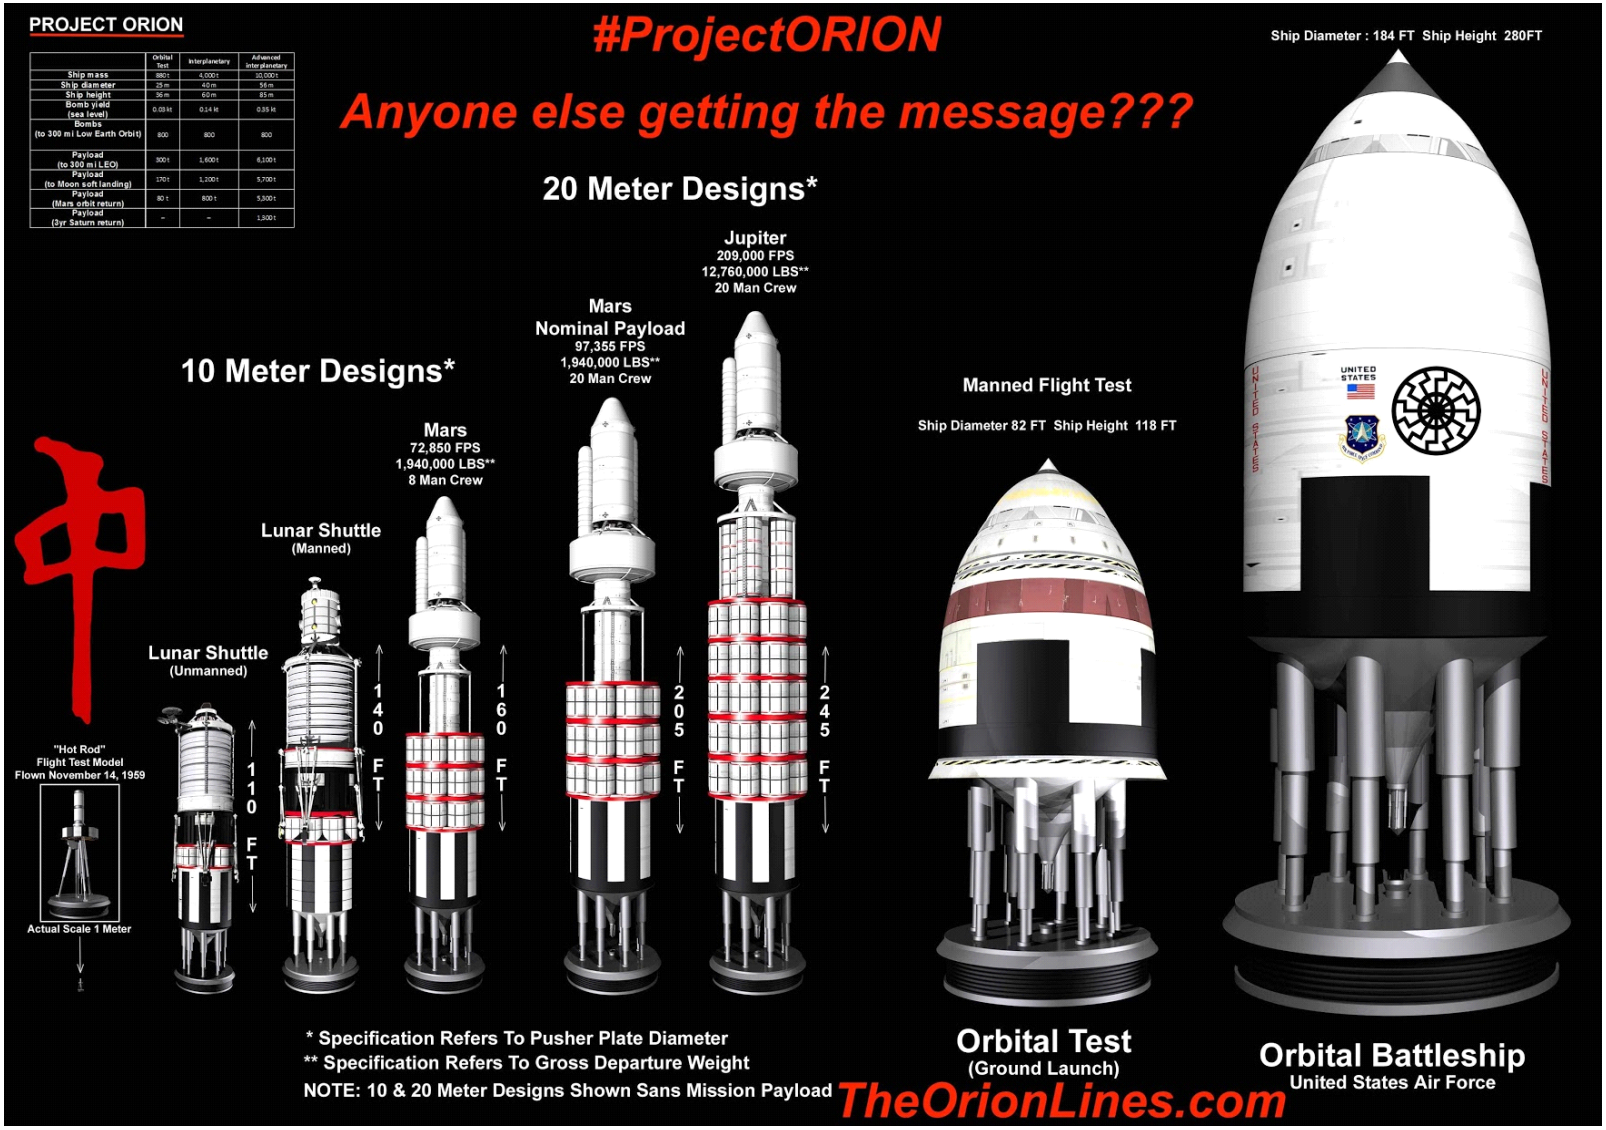

After solving The Nazca Lines, exposing the aliens who come from Orion, I discovered that The Elite were using other countries militaries as a middleman to Adrenochrome harvest Human Beings in trade for technology since the 1930s. Since this realization, it has forced The US Military to end The Grenada Treaty thus resulting in the creation of Space Force and the new logo without Orion.

Orion: Academic Access

Academic Access to Orion, AWE's high power laser facility, is managed through the Central Laser Facility.

The Orion laser at AWE is used to conduct research into high energy density physics phenomena. The building houses a large neodymium glass laser system and a target chamber in which the high energy density physics experiments are conducted. Orion will generate matter many times denser than solid – at temperatures up to 10 million degrees.

AWE

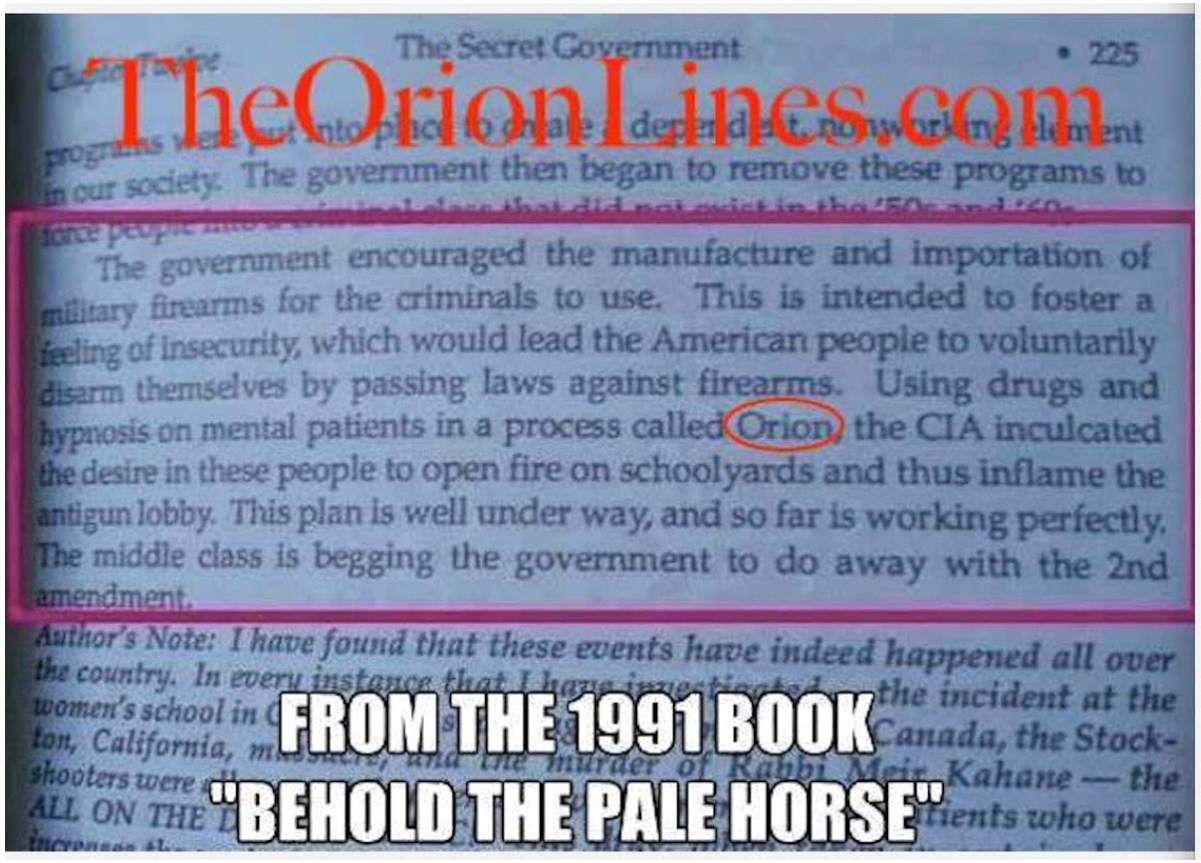

Designed primarily to support AWE's core work, Orion is also available for collaborative academic research, access for which is managed by the CLF and involves a similar proposal and review mechanism as adopted for the CLF's laser systems.

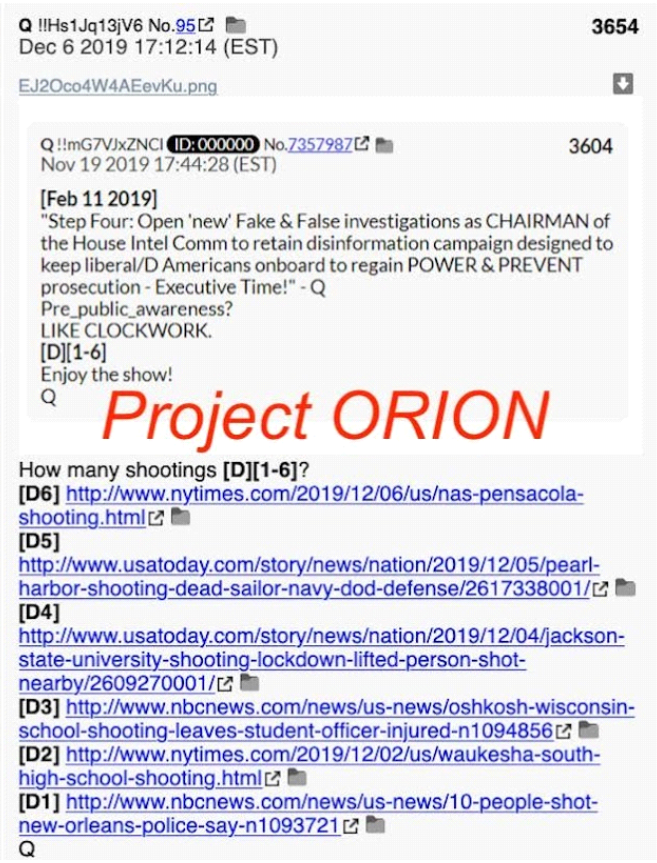

Orion delivers up to 5 kJ at 351 nm in 10 1-ns duration beams with flexible pulse-shaping, and up to 500 J in ~0.5 ps at 1053 nm in each of two short-pulse beams, one of which is currently frequency-doubled (at reduced aperture) to give increased contrast.

It has an extensive suite of optical, X-ray, charged-particle and neutron diagnostics, many of which are deployable in diagnostic insertion devices.

In William Copper's book, "Behold A Pale Horse," he was talking about a CIA Operation called "Orion." Schoolyard shootings to inflame the antigun lobby. Qanon talks about this as well. ABSTRACT

A spacecraft having a triangular hull with vertical electrostatic line charges on each corner that produce a horizontal electric field parallel to the sides of the hull. This field, interacting with a plane wave emitted by antennas on the side of the hull, generates a force per volume combining both lift and propulsion.

Mass child sacrifice discovery may be largest in Peru

28 August 2019 Share

The Chimú regularly used sacrifice as part of spiritual ceremonies

Archaeologists in Peru have unearthed what is believed to be the largest single mass child sacrifice in history.

The bodies of 227 victims, aged between five and 14, were found near the coastal town of Huanchaco, north of Peru's capital Lima.

The children were believed to have been sacrificed over 500 years ago.

The discovery comes barely a year after **200 child victims of human sacrifice were found** at two other sites in the country.

Archaeologists told AFP news agency that some of the bodies in this latest collection still had hair and skin when they were dug up.

The children show signs of being killed during wet weather, and were buried facing the sea, meaning they were probably sacrificed to appease the Chimú's gods.

It is unclear in which year the incident took place.

The Chimú resided along Peru's northern coast and were one of the region's most powerful civilisations. They reached prominence between 1200 and 1400 before

Centuries before the first massive sarsen stone was hauled into place at Stonehenge, the world's most famous prehistoric monument may have begun life as a giant burial ground, according to a theory disclosed on Saturday.

More than 50,000 cremated bone fragments, of 63 individuals buried at Stonehenge, have been excavated and studied for the first time by a team led by archaeologist Professor Mike Parker Pearson, who has been working at the site and on nearby monuments for decades. He now believes the earliest

They also identified novel features of a 3-kilometer-long, 100-meter-wide ditch nearby called the Cursus that was thought to serve as a barrier for Stonehenge. They found several gaps in the ditch and also giant prehistoric pits which appear to form astronomic alignments. On midsummer's day, the eastern pit's alignment with dawn and the western pit's alignment with dusk meet at the point where Stonehenge was built almost 500 years later.

The survey revealed hundreds of new features around the megalithic monument which lies on Salisbury Plain, Wiltshire. Among the findings were 17 previously undiscovered ritual monuments that suggest Stonehenge did not stand alone, and also dozens of burial mounds, some of which were older than the 4,400-year-old monument. A huge 6,000-year-old timber building beneath one of the earthy mounds was also revealed which they believe was probably used for bizarre burial rituals that involved removing the flesh from the dead.

[57] **ABSTRACT**

A process is described for preparing adrenochrome comprising oxidizing adrenaline or a salt thereof with a persulfate in an aqueous medium at a pH in the range 4 to 8 in the presence of one or more water-soluble salts of bismuth.

9 Claims, No Drawings

suitable buffer to the semicarbazide solution prior to its addition to the adrenochrome solution. Suitable buffer salts include those previously listed. Potassium acetate is the preferred buffer and the amount employed is usually within the range 1.5 to 2.5 mole per mole of semicarbazide.

After the completion of the stabilization, the derivative of adrenochrome is isolated from the reaction mixture by separating the precipitate in a normal manner, e.g., filtration, followed by washing. The derivative of adrenochrome is obtained in the form of powder. Prior to the separation, the treated reaction mixture may be neutralized with an alkali, e.g., sodium hydroxide, to precipitate the dissolved adrenochrome derivative. The isolated powders may be purified in the usual manner such as active carbon treatment, chelate treatment and recrystallization.

The invention will now be illustrated by the following Examples.

EXAMPLE 1

To a 3-liter beaker was charged distilled water (1000 ml), ammonium persulfate (95.8 g; 0.42 mole) and sodium hydrogencarbonate (93 g; 1.1 mole). The mixture was stirred and cooled to 0° C. To this solution was added a solution of bismuth nitrate pentahydrate, $Bi(NO_3)_2.5H_2O$, (0.97 g; 0.002 mole dissolved in 25 ml 10% HCl). This was followed by the dropwise addition of an aqueous solution of adrenaline hydrochloride (44.0 g; 0.2 mole) dissolved in water (100 ml) over 20 minutes at 0° to 5° C. followed by a period of stirring for 30 minutes at 0° to 5° C. During the reaction, a part of the reaction mixture (1 gm) was taken out and was diluted with water to 1000 ml and the absorbance of the dilute solution was measured at a wavelength of 495 nm. The absorbance increased to a maximum after 30 to 45 minutes.

To the resulting adrenochrome solution was added a solution of semicarbazide hydrochloride (23.6 g; 0.212 mole) and potassium acetate (41.2 g; 0.42 mole) dissolved in water (150 ml), over 15 minutes at below 10° C.

The reaction was stirred for a further 2 hours to allow the product to crystallize. The product was collected by filtration, washed with water and dried to give 40.0 g crude powder of adrenochrome monosemicarbazone. Purification of the adrenochrome monosemicarbazone was achieved by suspending the solid in water (25 volumes) and treating with an excess of sodium hydroxide to afford a solution. After active carbon treatment and addition of ethylenediamine tetraacetic acid the purified product was precipitated by the addition of acetic acid to pH 5.5. The adrenochrome monosemicarbazone was isolated in the conventional manner.

The infra-red absorption spectrum and ultraviolet absorption spectrum of the purified adrenochrome monosemicarbazone were measured. The infra-red absorption spectrum showed the characteristic absorptions at 3350, 3190, 1700, 1660, 1560, 1410, 1295, 1195, 1095, 1060, 810 and 560 cm^{-1}. The ultra-violet absorption spectrum of the purified powder showed maximum absorption at 354 nm. The melting point, infra-red absorption spectrum and ultra-violet absorption spectrum agreed with those of the authentic adrenochrome monosemicarbazone, and the reaction product was identified as adrenochrome monosemicarbazone.

EXAMPLE 2

Adrenochrome was prepared in the same manner as in Example 1. To the resulting adrenochrome solution was added an aqueous solution of aminoguanidine hydrochloride (23.4 g; 0.212 mole) dissolved in water (100 ml) at below 5° C., the pH of the resulting solution was adjusted to 2.9 with dilute HCl and stirred for a further 30 minutes at below 15° C., during which time a deep orange solid precipitated. The pH was further adjusted with dilute sodium hydroxide solution to a final pH of 9.0 to 10.0. The resulting yellow orange slurry was then stirred for a further 15 minutes. The product was isolated by filtration, washed and dried to give 41.0 g crude powder of adrenochrome monoaminoguanidine. The crude powder was dissolved in a 5% by weight aqueous solution of sulfurous acid, and after active carbon treatment, a small quantity of ethylene diaminetetraacetic acid was added. Four percent by weight aqueous solution of sodium hydroxide was then added, and the precipitate was separated and washed to give purified adrenochrome monoaminoguanidine. The infra-red absorption spectrum and ultra-violet absorption spectrum of the purified adrenochrome monoaminoguanidine were measured. The infra-red absorption spectrum showed the characteristic absorptions at 3330, 3170, 1640, 1590, 1500, 1395, 1365, 1330, 1295, 1150, 1070, 860, 815 and 720 cm^{-1}. The ultra-violet spectrum showed the maxima absorption of 348 nm and 445 nm. The infra-red absorption spectrum, ultra- violet absorption spectrum and the melting point agreed with those of an authentic adrenochrome monoaminoguanidine, and the formation of the desired product was thus confirmed.

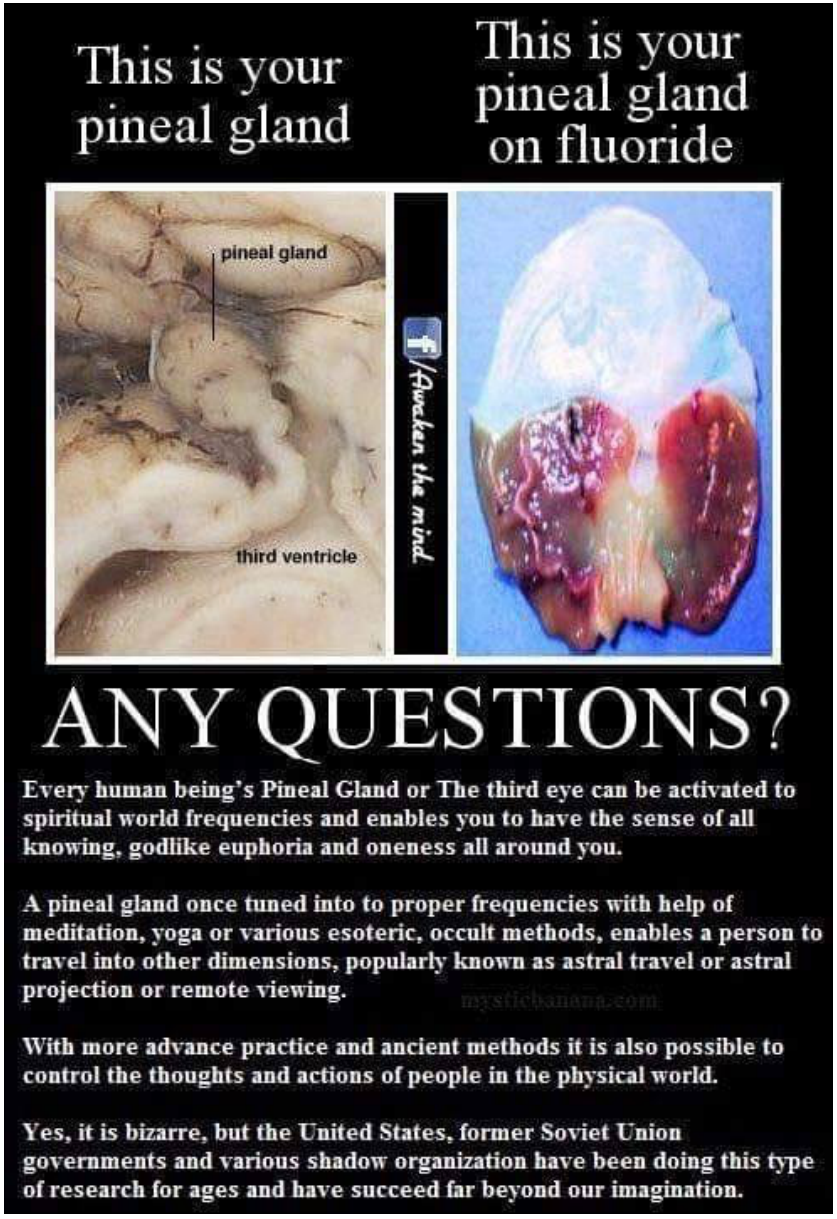

EXAMPLE 3

To a 3-liter beaker was charged distilled water (1000 ml), ammonium persulfate (95.8 g; 0.42 mole) and sodium hydrogencarbonate (93 g; 1.1 mole). The mixture was stirred and cooled to 0° C. To this solution was added a solution of bismuth oxycarbonate $(BiO)_2CO_3$ (0.5 g; 0.001 mole dissolved in 25 ml 10% HCl). This was followed by the dropwise addition of an aqueous solution of adrenaline hydrochloride (44.0 g; 0.2 mole) dissolved in water (100 ml) over 20 minutes at 0° to 5° C. followed by a period of stirring for 30 minutes at 0° to 5° C.

To the resulting adrenochrome solution was added a solution of semicarbazide hydrochloride (23.6 g; 0.212 mole) and potassium acetate (41.2 g; 0.42 mole) dissolved in water (150 ml), over 15 minutes at below 10° C. The reaction was stirred for a further 2 hours to allow the product to crystallize. The product was collected by filtration, washed with water and dried to give 38.3 g crude powder of adrenochrome monosemicarbazone which slowed the characteristic absorptions of 3350, 3190, 1700, 1660, 1560, 1410, 1295, 1195, 1095, 1060, 810 and 560 cm^{-1}. The ultra-violet absorption spectrum showed a maximum at 354 nm. The infra-red absorption spectrum and ultra-violet absorption spectrum agreed with those of an authentic sample of adrenochrome monosemicarbazone.

EXAMPLE 4

The procedure of Example 3 was repeated except the bismuth oxycarbonate was replaced with bismuth citrate $C_6H_5BiO_7$ (0.78 g; 0.002 mole). Similar results to those obtained in Example 3 were obtained.

Adrenochrome Harvesting Realization Ryushin

Yes, they have been eating Human Beings. These are what the ufologists call "Human Mutilations," which they are anything but mutilations. In reality, they are Adrenochrome Harvesting. They are identical to the cattle mutilations. If you would like to see how it's done, watch the Fire In The Sky movie alien sense. They restrain the person or animal, then they put a cable down the persons esophagus and into the stomach. A needle will be placed into the pineal gland and while the cable is whipping up the persons intestinal track, the needle is collecting pure adrenalin before entering the bloodstream.

When adrenalin comes into contact with oxygen, it creates Adrenochrome. But they also harvest the blood, organs, glands and nods as food. The process last for 45 minutes to an hour until death. The body is then returned to the place of pick up. NATO and The US Gov have been covering this up for decades because they have been secretly trading with them. The man on the top left was found in Brazil 1988 and the girl and boy were found together also in Brazil in 2007.

There have been many reports of Human mutilation spanning for decades, even thousands of years. This is the true origin of Human sacrifice. As a result, I am running for President to protect our people, The Human Race from this type of abuse. This is simple unacceptable.

These are not black operations done by the US Military. You were told this so you wouldn't panic, and we could make nice with the good aliens out there. Yes, there are good and bad aliens out there. Dr. Steven Greer and Linda Moulton Howe are both lying to The People. Dr. Greer says that human and cattle mutilations are “black operations” to scare people. Linda says human mutilations are “agent orange.” There is a reason why they are lying... They are getting paid very well.

Dr. Greer and Luis Elizondo have both stated that The Nazi Bell was never able to be stabilized. Considering that we have the video evidence of it actually achieving stabilization is to the contrary. It means they are being fed the same lines to give to The People. Both are lying. The gravity amplifier takes 10 milliseconds to recycle.

Why was Pizzagate "fake news?" Because Lord Jacob Rothchild also known as The Pinder or Pinnacle of the Draco or Penis of the dragon, his nephew is James Alefantis, the owner of Comet Ping Pong Pizzeria in Washington D.C. Jacob owns the 6 major news corporation and at the same time pizzagate came out through wikileaks, fake news came out.

At Comet Ping Pong, there is a mural of an alien playing ping pong with a Human Being. This told me that they were secretly at war with a positive group of aliens trying to help humanity while these pedovors, child eaters, control our world and trade Adrenochrome for technology with Orion.

Panda Eyes
It is pedophile slang for child sodomy. When a child is forcly sodomized, it's eyes can welt to black circles due to the blunt trauma involved, making their eyes look like that of a pandas. There's apparel selling online that says "panda eyes" on it for the pedo community, as well as many pedophiles joking about this online with each other, talking about kids. There's many innocent symbols and codes they use to reference their deviant perversions like pizza (little girl lover) and hotdogs (little boy lover) pandas are one of their symbols. Believe it or not. #cumpanda is often seen on pedo social media accounts when referencing pandas and children

Uncle Sam's Snuff Factory revealed by Katy Groves – Uncle Sam's Snuff Factory location Fort Hood Killeen, Texas 10/20/2018 Ryushin

In October of 2018, I came across a woman by the name of Katy Groves. She said that she was a part of a child snuff ring located at a military base in Killeen, Texas where the Elite were calling it "Uncle Sam's Snuff Factory" as an inside joke. She said she was brought there as a child and was raped all the way up until the age of 17 years old. She said she lived in Austin and recalled the drives being about 45 minutes to get to this underground military base.

When I google searched Austin, Texas, there was only one military base in the area, Fort Hood Killeen, Texas. She said that she witnessed CHILD GENOCIDE there and not only where they raping, torturing and murdering children but they were ordering children off of menus to have them cooked to be served and eaten as food! Her testimony was incredibly disturbing. I could feel her heart and could tell she wasn't lying. Is it true? The evidence is overwhelming and the great connect between the Elite and the aliens. Army Soldiers at Fort Hood in Texas Are Dying at Alarming Rates Stateside (January 1, 2016 to Present)

In the last 3 years from January 2016 to January 2019, Fort Hood on average lost 35 soldiers a year. If you divide 35 by 12 months, that's an average of 3 soldiers a month. We must find out why so we can prevent these untimely deaths and save the precious lives and futures of these mostly young soldiers. The average age at time of death is 28 years old and each death has a ripple effect on the families, friends, and communities left behind.

I even figured out which one did it. This is not politics... This is attempted murder, and someone must be held responsible. Just because it's NASA does not exempt them from attempted murder.

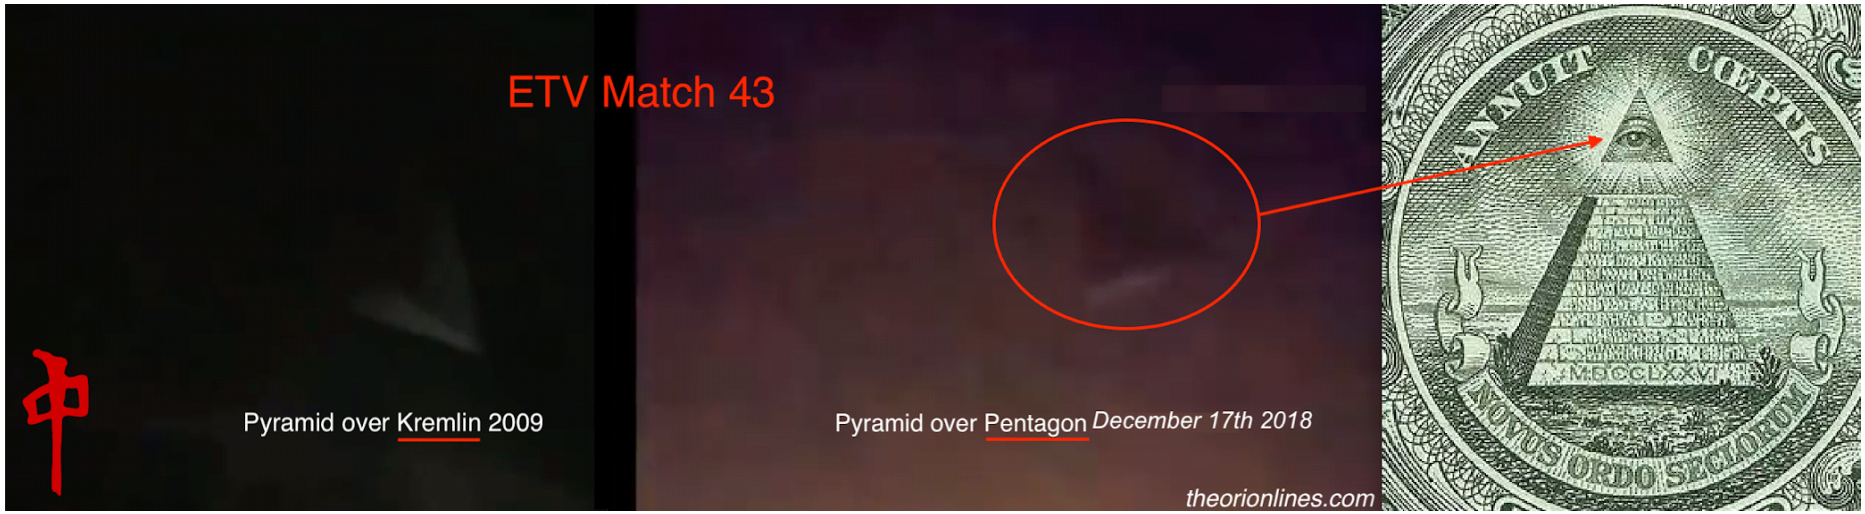

We never needed NASA. NASA employs 20,000 works. We never in our history needed rockets because good aliens showed Tesla everything long before World War 2. NASA is a coverup operation to hide the alien presence.

Realization Ryushin

When this leaked out on 12/7/2018, I was very interested. Lizard people? Reptilians? Being housed at Area 51? I had no proof that this really happened until 12 days after. I took this image and attacked Space Force's twitter account with it and got an unexpected response. "Recent rumors about "lizard people" escaping Area 51 have no merit. Also, they're called "reptilians". #SpaceForce" I’m sure they are, and this is treason.

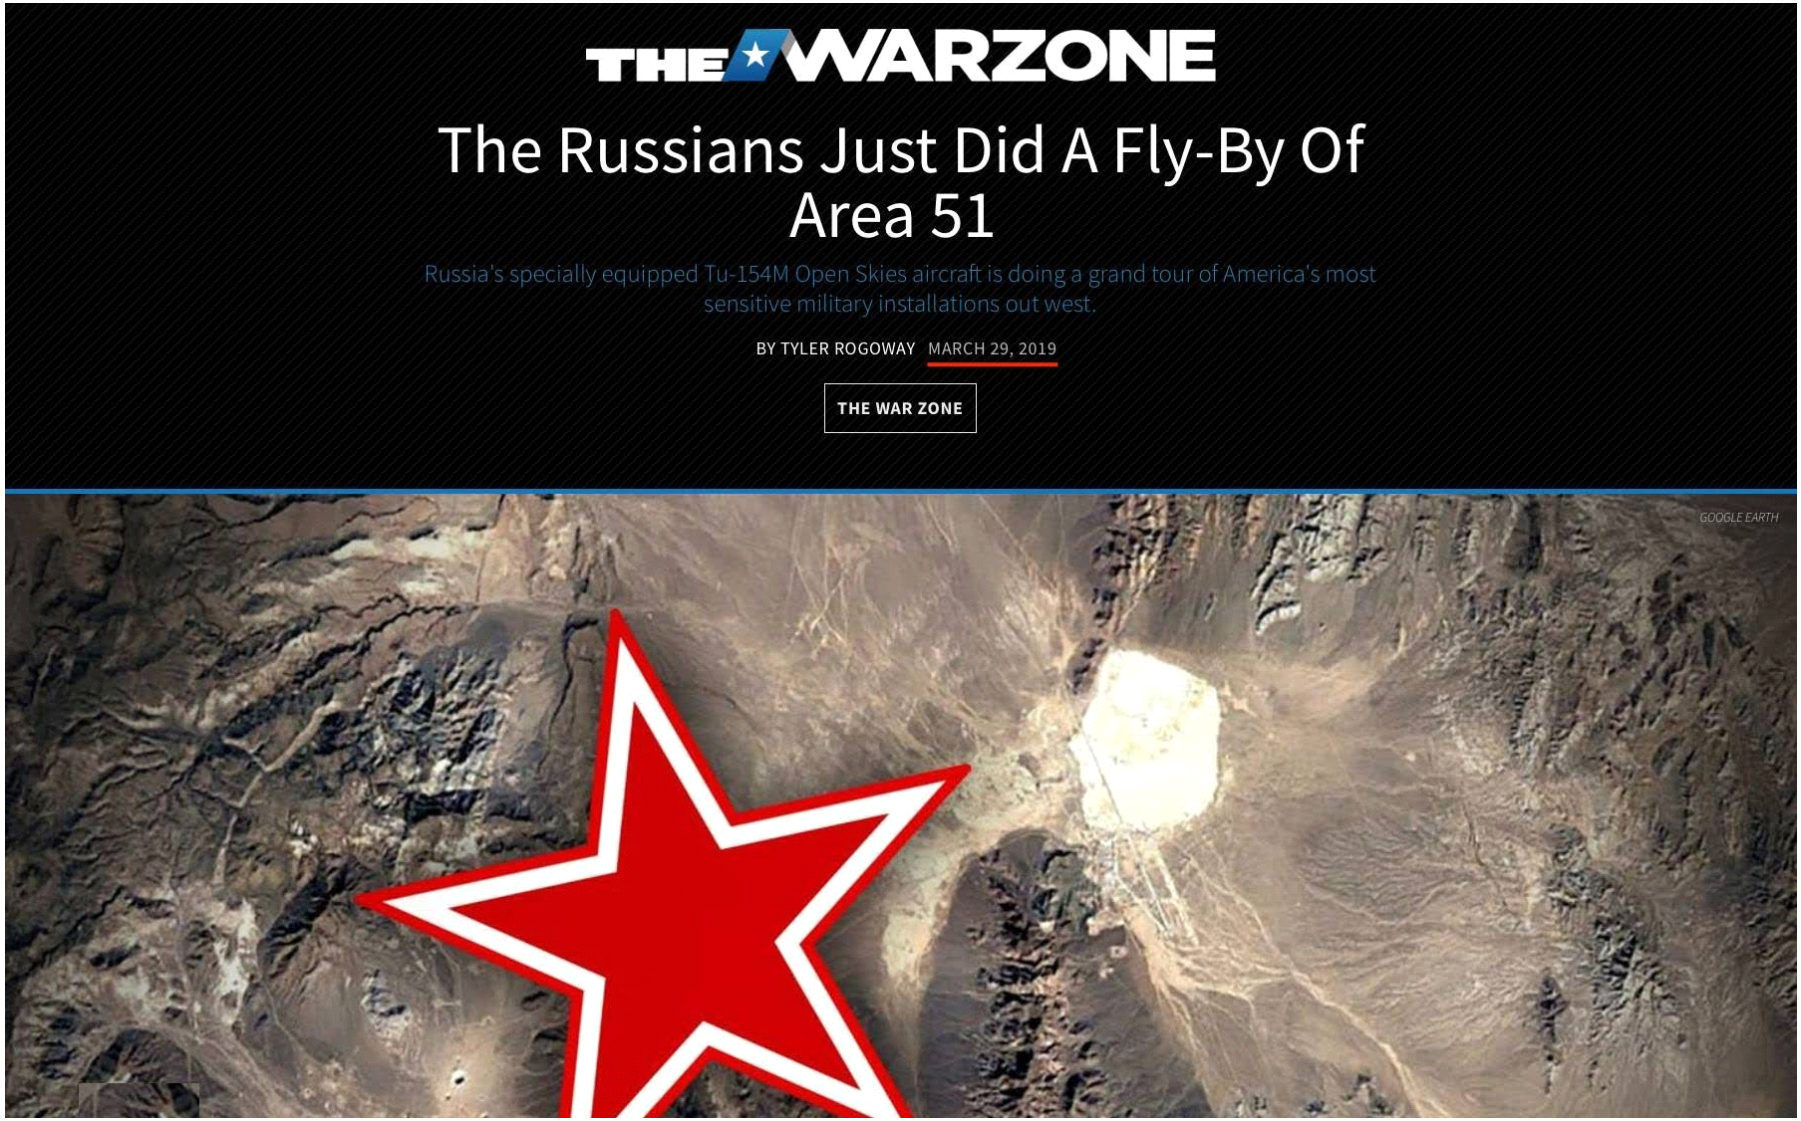

Connection Ryushin

A gigantic pyramid shaped craft appeared over the Pentagon on December 19th, 2018. We have three different prospective of the vehicle on video. This told me that they were indeed harboring aliens at Area 51 and had them removed. This told me that the aliens were probably not happy and risked being exposed to find out what these idiots at the Pentagon were doing removing their people.

The same craft was seen over the Kremlin in 2009. We also have multiple videos of this event as well. Interestingly enough, this allowed me to solve the Great Pyramids of Giza from realizing that they actually had these types of vehicles. I also believe that this is the All-Seeing-Eye that is all over our money. Who are they? Orion? The Alpha Draconian? Someone knows and we demand answers.

This very event led me to solve The Great Pyramids of Giza. They were water harvesting The Nile River to ionize the water to be used as fuel.

As a backup, they infiltrated and control the narrative (the 'MSM').
As a backup, they install only those on the team.
As a backup, they blackmail those that aren't.
As a backup, they defined 'conspiracy' as crazy/mentally unstable and label anything 'true' as such.
This works given most of what they engage in is pure evil and simply unbelievable (hard to swallow).

Trump orders fleet of icebreakers and new bases in push for polar resources

June 2020

- **President orders plan for Arctic and Antarctic in 60 days**
- **Military experts sceptical of 'icebreaker gap' with Russia**

Donald Trump has ordered the construction of a fleet of icebreakers and bases to pursue US interests in the Arctic and Antarctic by the end of the decade in a signal that his administration is going to take a more aggressive approach to the contest with Russia and China for polar resources.

Trump issued a memorandum on "safeguarding US national interests in the Arctic and Antarctic regions" which calls on the administration to come up with a plan within 60 days that would include at least three heavy icebreakers to be built by 2029, and recommendations for locations to build two support bases in the US and two on foreign soil.

The memorandum appeared designed to expand and inject extra urgency into a longstanding US Coast Guard plan to build three heavy and three medium icebreakers. It suggests the US look into leasing arrangements while the new fleet is being built.

"This appears to be another rapid study to confirm or perhaps expand what the US needs," said Heather Conley, senior vice-president for Europe, Eurasia and the Arctic at the Centre for Strategic and International Studies. "Again, how to pay for it is another question that will need to be answered another day."

The US currently has just one heavy icebreaker, the ageing Polar Star, and one medium. Russia currently has 40 breakers in total, Finland has seven, and Canada and Sweden have six each.

As the sea ice is melting, China is also laying claim to Arctic resources, although it does not have an Arctic coastline, by funding various

The truth is The US Government has time travel and quantum time viewing devices. Having time travel actually changes the nature of reality itself allowing us as people to no longer be restricted to this moment-to-moment experience, but allows us to be in this moment, in any moment. This technology changes the nature of reality itself. Time travel is a 'black ball' technology. It is extremely dangerous to the user and everything/everyone else. If one thing is changed in the past, it will affect the present moment and thus our future. Once I realized that they did in fact have this technology, I wrote The Timeline Accordance Declaration outlawing time travel for personal use.

Renduring by Open Minds Productions

This is project looking glass or the looking glass device. It allows the viewer to see past, present and or future events by warping spacetime. It can also open a wormhole also known as a stargate.

Renduring by Open Minds Productions

The Orion Cube, also known as The Yellow Book, is also a quantum time viewing device. It is an 8 inch by 8 inch yellow box cube that was a ‘gift’ from the Ebens. It is said to be in the hands of The Free Masons.

TimeLine Accordance Declaration

Time Travel is hereby outlawed for personal use. You cannot Time Travel to the past or the future to alter the timeline for personal advantage. Time Travel is only allowed from moment to moment, meaning, If you wanted to leave home and go to say Mars, you would leave in this moment and arrive only in this moment. Not 1 second before and not 1 second after. You can only time travel in the now so that the timeline is not effected or altered.

No one except Special Forces are allowed to time travel outside of our Solar System. This means you are free to travel anywhere in the Solar System but only in the now.

I outlaw "Time Spying" for personal use. Time Spying is only allowed for the betterment of all beings, not just a few.

All Time Spying devices must be handed over.

Only "Time Police" will be allowed to protect the timeline at all costs by watching past, present and future events for everyone's sake, not just the few.

I hereby abolish all nations and all boarders.

I hereby abolish all WARS against Humanity, Extraterrestrial and A.I. and declare Victory Over War.

From this moment forward, I here by abolish all murders, rapes and child abuse, sexual or otherwise. If anyone commits these crimes, time police monitoring the timeline will be sent to stop you, arrest you, and bring you into the present moment to be place into clinical rehabilitation, death penalty for crimes still applies.

I hereby END THE WAR ON DRUGS and legalize EVERYTHING. Especially, CUCUMBER TRICHOSANTHIS KIRILOWII.

All drugs are legal to those over the age of 21. Please take in moderation otherwise you will have your drug license revoked and placed into clinical rehabilitation.

All AIDS/HIV victims will be provided the cure ASAP, free and will be compensated, living or dead.

All other known and unknown cures will also be provided free. No one has to die so that few can survive. We can All survive together or none at all.
All people in prison for drug related crimes are free to go home.

I hereby allow free health care to every Human Being.

I abolish hunger and homelessness.

I hereby abolish all class. There is no longer a lower, middle and upper class.

One for all or not at all.

I hereby abolish ALL SENTIENT BEINGS FROM ADRENOCHROME HARVESTING THROUGHOUT THE MULTIVERSE.

I abolish ALL abductions.

I order all non-Humans out of the Solar System until further notice.

I hereby outlaw cloaking technology. I hereby outlaw pre-type-one species manipulation unless for the betterment of all beings.

I order complete control over Earth's Defenses to protect all life in the Solar System. I ORDER you to gift me the Ironman suit, the sound weapon, the thought chair, the portal gun, along with everything else you have and the greatest ship in our fleet to protect all life. I obviously need to be briefed on EVERYTHING especially what is coming for us in the future.

I hereby abolish Nuclear Weapons and Nuclear power.

I gift the world with free energy technology, zero-point energy and advanced extended life for ALL humanity.

I demand a meeting with The Bilderberg Group immediately.

They will hand over The World Bank to be funneled back into We The People of The World.

I want to put together a team of the most intelligent people in the world, including, The Five Messiahs. I demand the best soldiers in the world as my personal service detail.

All information regarding the cover-up will be released immediately. **Immunity will be gifted to all involved with the cover-up.** The Grenada Treaty was signed in 1954 because The Nazi's already made a deal with the alien nation Orion. Eisenhower had no choice. None of the less, thous people abducted should be well compensated.

All information regarding the 'Visitor/Aliens/UFOs' and 'Time Travel' will be released to The People Of The World in all languages ASAP to prepare them for OPEN, PUBLIC CONTACT with the Visitors.

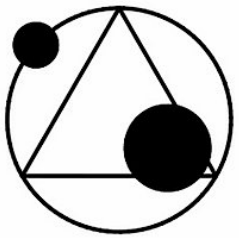

I hereby found the first World Order known as The True World Order.
One with peace, love, compassion and understand for all life to thrive as the core of our endeavor to survive, together.

April 6, 2020

This is applicable to all Sentient Beings, Human, Robot and Extraterrestrial. Make it so.

This is the Timeline Accordance Declaration. This is a guild for the advancement of Humanity to create time laws in order to protect Humanities future from destruction and personal advantage.

Timeline Accordance Declaration Amendment 1

These laws are universal laws which are unavoidable.

Because we have the ability to time travel, something called “The Present Moment” must be established. “The Present Moment” is not just this moment we live in day to day, moment to moment, but an agreed upon time with society and the time traveler or observer in order to return to. This way no one is surprised to see a “ufo” because we know what they are. Time traveling ships.

A "Time Barricade" must be created. This will allow no access into The Present Moment from the past. Why must this be done? Because they have been using time travel for personal gains instead of the advancement of all Humanity and all sentient life through out the Universe.

A new position must be created called the “Time Protector.” A Time Protector must be one of absolute moral standing and moral character to protect Humanity as a whole from catastrophic events. The Time Protector will manage the timeline for only the advancement of Humanity and other sentient beings throughout the Universe.

AIDS/HIV was created as a population control by a Navy surgeon by the name of R.N. Donner. It was released in Africa intentionally as well as the Black, Mexican and gay population.

The cure to AIDS is Cucumber Trichosanthes Kirilowii. It is a cucumber that grows in China.

Lyme is also a population control created by a Nazi doctor in the 1950s at The Plum Island Laboratory on Plum Island, Long Island. This Nazi doctor was very interested in ticks and a part of Operation Paperclip, which was taking Nazis and repurposing them in America. Plum Island is 8 miles off the coast of Lyme Connecticut.

If this is all true, which the evidence is too strong to ignore or deny, what about STDs? What about The Flu? What about Ebola? What about the fluoride in our toothpaste and drinking water? It's making and keeping people dumb.

(57) **ABSTRACT**

Physiological effects have been observed in a human subject in response to stimulation of the skin with weak electromagnetic fields that are pulsed with certain frequencies near ½ Hz or 2.4 Hz, such as to excite a sensory resonance. Many computer monitors and TV tubes, when displaying pulsed images, emit pulsed electromagnetic fields of sufficient amplitudes to cause such excitation. It is therefore possible to manipulate the nervous system of a subject by pulsing images displayed on a nearby computer monitor or TV set. For the latter, the image pulsing may be imbedded in the program material, or it may be overlaid by modulating a video stream, either as an RF signal or as a video signal. The image displayed on a computer monitor may be pulsed effectively by a simple computer program. For certain monitors, pulsed electromagnetic fields capable of exciting sensory resonances in nearby subjects may be generated even as the displayed images are pulsed with subliminal intensity.

A theory of the creation of our Universe.
Imagine emptiness... Now imagine a wormhole aperture appearing, then spilling out light and energy forming a large ball big enough to fit every star in the Universe in. I call it, 'The Whitehole.' Then when it has become too dense, it explodes, known as The Big Bang. I believe our Universe was born by a blackhole from a prior Universe in a Multiverse.

All I can do is examine the evidence and deliver it for you in order for you to ask yourself, is this true?
Be still and don't forget to breath.

From personal 5D work, so I have been shown, The Multiverse is actually inside something called The Vetroverse. The Vetroverse looks exactly like the Tree of Life pictured left. The Multiverse looks like an endless sea of balls sitting together in an illuminated and endless hall way.

It's also exactly what The Vetroverse looks like. The Vetroverse contains the Multiverse.

TheOrionLines.com

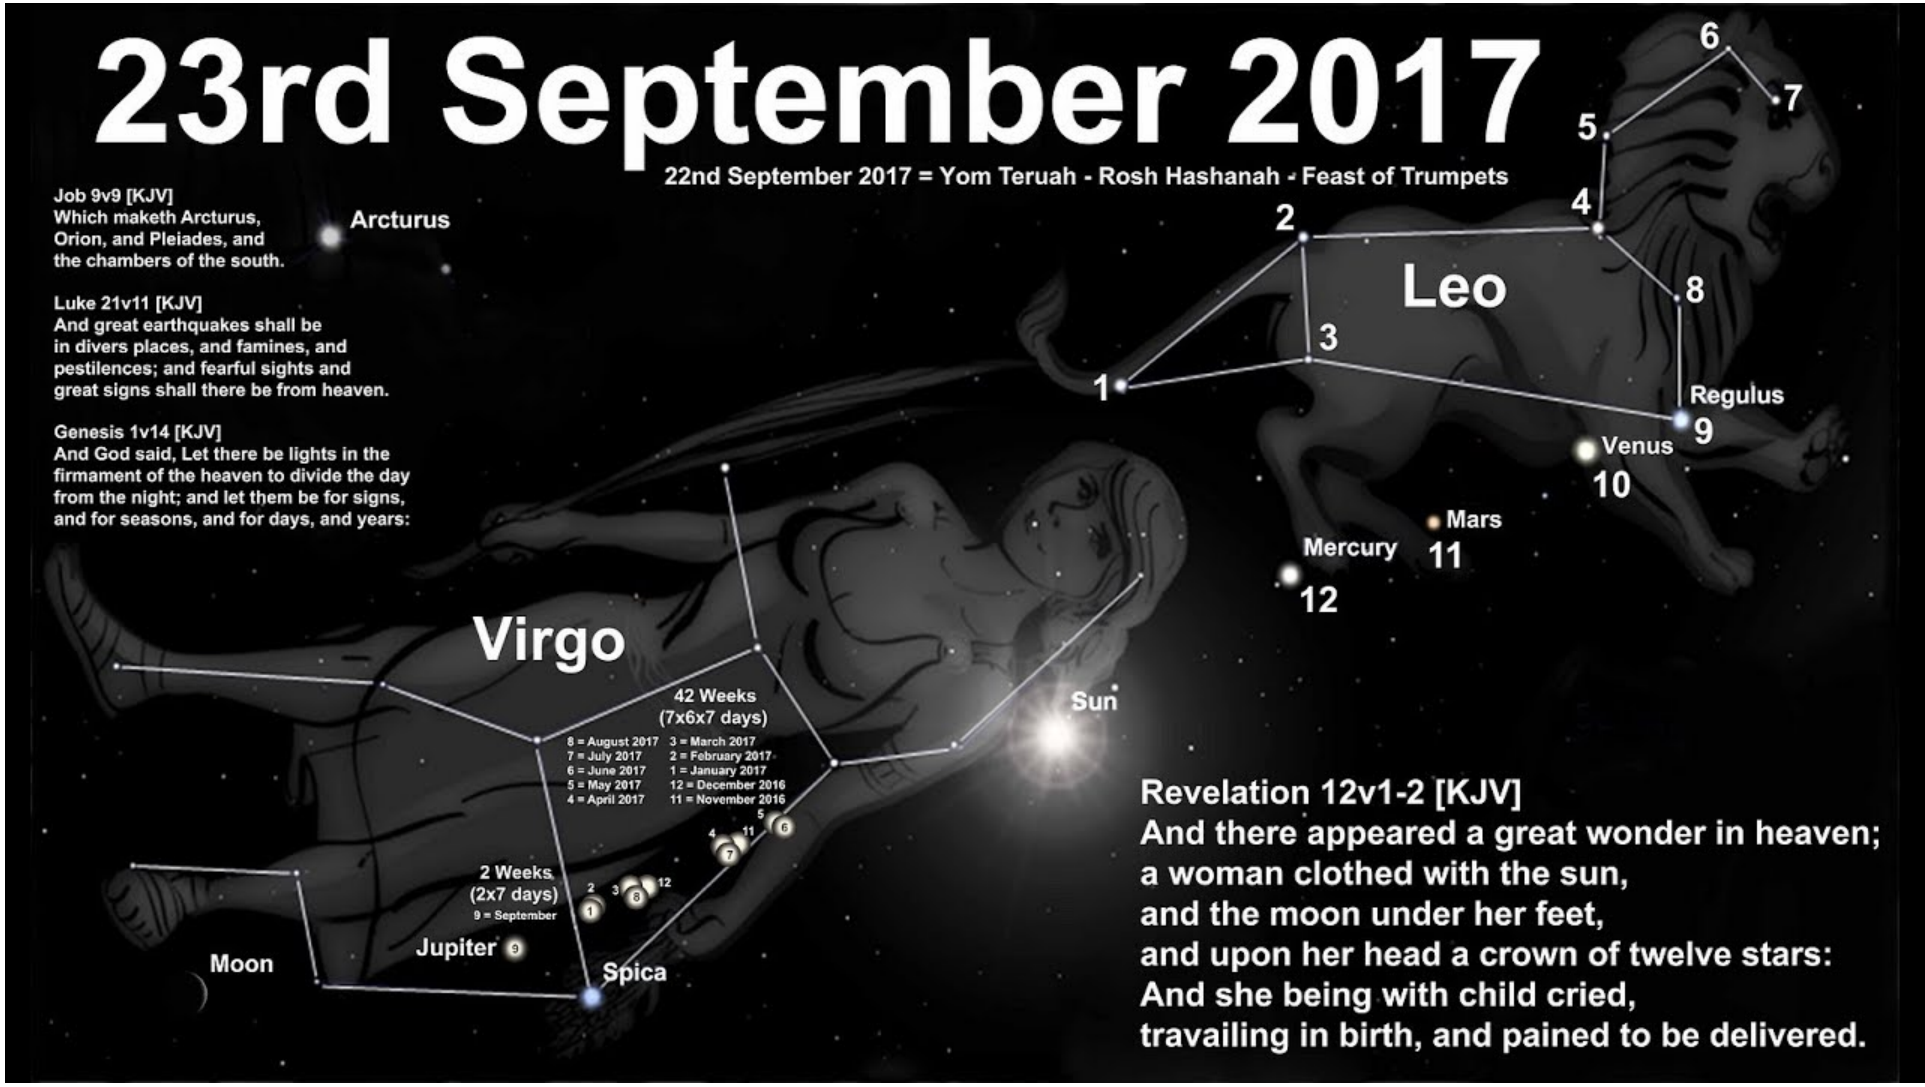

The Multiverse looks like a hall of light containing an endless sea of ball that are universes.

The Veroverse contains The Mulitverse.

Our universe was created when a blackhole from a universe before became dense thus exploding and creating its own universe.

I knew they had time travel. Saint John was shown a possible future which did not happen. Saint John was from the 1500 hundreds. This alignment only occures every 7000 years. How did Saint John know this alignment was going to happen? Time Travel. They took him and showed him a possible outcome.

Just Ignore This.
